The Burnt Hills Oratorio Society (BHOS) is pleased to announce its first annual golf fund raiser, **The Crescendo Classic**. The BHOS Chorus has enjoyed growth in audience and membership in the last three years and wishes to increase its presence in and outreach to the communities it serves.

BHOS partnered with The Veterans Community & Housing Coalition (VCHC) last fall with *The Concert for Peace*, a special performance to commemorate the 100<sup>th</sup> anniversary of the WWI Armistice, and to honor the service of all veterans. The two non-profit organizations enjoyed their collaboration to the extent that the partnership is moving from the stage to the golf course to increase support for both organizations.

For forty-nine years, BHOS has been an all-volunteer, non-auditioned singing community that envisions a future where excellence in choral singing is valued and widely enjoyed, bridging cultures, ethnicities, and economic backgrounds. It provides a framework for both performers and listeners to experience the power of the human voice to uplift, inspire and transform. BHOS furthers the development of young voices through a vocal scholarship program for students pursuing musical education *beyond high school*.

VCHC provides housing and support services to homeless military veterans and their families in 7 Capital Region counties, helping them to attain permanent homes, financial stability and health care. They operate the Guardian House and the Vet House, both located in Ballston Spa, which provide transitional housing for male and female veterans.

We invite you to join this FUN opportunity to support these two valuable and worthy local non-profit organizations.
